Explanation of Responses:

1. Grant of restricted common stock vesting in three equal annual installments beginning October 30, 2018, subject to the achievement of performance criteria specified in the reporting person's award agreement.
2. As a result of an anti-dilution adjustment made in connection with the spinoff of Black Knight Financial Services, Inc. from the registrant, the number of shares subject to each outstanding FNF Group restricted stock award was increased to include an additional number of restricted shares of FNF Group common stock with an initial value equal to the value of Black Knight, Inc. common stock the holder would have otherwise received. The number of additional shares of FNF Group common stock was determined using the volume weighted average prices of FNF Group common stock and Black Knight, Inc. common stock over the three trading days immediately following the spin-off. Restricted stock awards were rounded down to the nearest share and cash was issued in lieu of fractional restricted shares.
3. The options vest in three equal annual installments beginning October 29, 2016.
4. As a result of an anti-dilution adjustment made in connection with the spinoff of Black Knight Financial Services, Inc. from the registrant, the number of shares and exercise prices of each outstanding FNF Group stock option award were adjusted to preserve the award's pre-spinoff intrinsic value using (i) the volume weighted average price of FNF Group common stock over the three trading days immediately preceding the spinoff, and (ii) the volume weighted average price of FNF Group common stock over the three days immediately following the spinoff. Stock options were rounded down to the nearest share and up to the nearest penny, and cash was issued in lieu of options to purchase fractional shares.
5. The options vest in three equal annual installments beginning November 3, 2015 .
