PROXY STATEMENT

INFORMATION CONCERNING SOLICITATION AND VOTING

General

The enclosed proxy is solicited by the Board of Directors of Fidelity National Financial, Inc. (the “Company” or “Fidelity”) for use at the Annual Meeting of Stockholders to be held June 13, 2002, at 10:00 a.m., Pacific Daylight Time, or at any adjournment thereof, for the purposes set forth herein and in the accompanying Notice of Annual Meeting of Stockholders. The meeting will be held at Fess Parker’s Double Tree Resort, 633 East Cabrillo Boulevard, Santa Barbara, California.

It is anticipated that such proxy, together with this proxy statement, will be first mailed on or about April 30, 2002, to all stockholders entitled to vote at the meeting.

The Company’s principal executive offices are located at 17911 Von Karman Avenue, Irvine, California 92614 and its telephone number at that address is (949) 622-4333.

Questions and Answers about Voting

Your shares can be voted at the annual meeting only if you vote by proxy or if you are present and vote in person. Even if you expect to attend the annual meeting, we encourage you to vote by proxy to assure that your shares will be represented.

Q: Who is entitled to vote?

A: All record holders of Fidelity common stock as of the close of business on April 23, 2002 are entitled to vote. On that day, approximately 87,762,854 shares were issued and outstanding and eligible to vote. Each share is entitled to one vote on each matter presented at the annual meeting.

Q: What shares are covered by the proxy card?

A: The proxy card covers all shares held by you of record (i.e., registered in your name), including those held in Fidelity’s employee 401(k) plan and Employee Stock Purchase Plan.

Q: What if I am a beneficial holder rather than an owner of record?

A: If you hold your shares through a broker, bank, or other nominee, you will receive separate instructions from the nominee describing how to vote your shares.

Q: How do I vote?

A: We offer our registered stockholders three ways to vote, other than by attending the annual meeting and voting in person:

- By mail, using the enclosed proxy card and return envelope;
- By telephone, using the telephone number printed on the proxy card and following the instructions on the proxy card; or
- Through the internet, using a unique password printed on your proxy card and following the instructions on the proxy card.

Q: What does it mean to vote by proxy?

A: It means that you give someone else the right to vote your shares in accordance with your instructions. In this case, we are asking you to give your proxy to our chief executive officer and chairman of the board and to our vice-chairman of the board, who are sometimes referred to as the “proxy holders.” By giving your proxy to the proxy holders, you assure that your vote will be counted even if you are unable to attend the annual meeting. If you give your proxy but do not include specific instructions on how to vote, the proxy holders will vote your shares for the election of the board’s nominees and for the approval of the increase in authorized shares of common stock.

Q: On what am I voting?

A: There are two items on the agenda: (1) election of four directors, and (2) approval of an increase in the number of authorized shares of common stock.

Q: What happens if other matters are raised at the meeting?

A: Although we are not aware of any matters to be presented at the annual meeting other than those contained in the Notice of Annual Meeting, if other matters are properly raised at the meeting in accordance with the procedures specified in Fidelity’s charter and bylaws, all proxies given to the proxy holders will be voted in accordance with their best judgement, unless you have indicated otherwise.

Q: What if I submit a proxy and later change my mind?

A: If you have submitted your proxy and later wish to revoke it, you may do so by either: giving written notice to the Corporate Secretary; submitting another proxy bearing a later date (in any of the permitted forms); or casting a ballot in person at the Annual Meeting.

Q: Who will count the votes?

A: We have hired ADP-Investor Communication Services to serve as proxy tabulator and count the votes, and the results will be certified by the inspectors of election.

Q: How many votes must each proposal receive to be adopted?

A: The following votes must be received:

- For proposal one regarding the election of directors, the four people receiving the largest number of votes cast at the annual meeting will be elected as directors.
- Proposal two, the approval of the amendment to the certificate of incorporation, must receive an affirmative vote from a majority of the outstanding shares entitled to vote on the proposal.
- For any other matter, the affirmative vote of a majority of the shares present or represented by proxy and entitled to vote would be required for approval.

Q: What constitutes a quorum?

A: A quorum is present if a majority of the outstanding shares of common stock entitled to vote is represented. Broker non-votes and abstentions will be counted for purposes of determining whether a quorum is present.

Q: What are broker non-votes?

A: Broker non-votes occur when nominees, such as banks and brokers holding shares on behalf of beneficial owners, do not receive voting instructions from the beneficial holders at least ten days before the meeting. If that happens, the nominees may vote those shares only on matters deemed “routine” by the New York Stock Exchange, such as the election of directors and the adoption of the increase in authorized shares of common stock. Nominees cannot vote on non-routine matters unless they receive voting instructions from beneficial holders, resulting in so-called “broker non-votes.” Broker non-votes have no effect on the outcome of any of the matters specified in the Notice of Annual Meeting.

Q: What effect does an abstention have?

A: Abstentions or directions to withhold authority will have no effect on the outcome of the election of directors. Abstentions will have the same effect as a vote against the proposal to increase the number of authorized shares.

Q: How can I view a stockholder list?

A: A complete list of stockholders entitled to vote at the annual meeting will be available at Fess Parker's Double Tree Resort, 633 East Cabrillo Boulevard, Santa Barbara, California. For ten days prior to the meeting, you may access this list at Fidelity's offices at 4050 Calle Real, Santa Barbara, California 93110 for examination during business hours for any purpose relating to the meeting.

Q: Who pays the cost of soliciting proxies?

A: We pay the cost of the solicitation of proxies, including preparing and mailing the Notice of Annual Meeting of Stockholders, this proxy statement and the proxy card. Following the mailing of this proxy statement, directors, officers and employees of the Company may solicit proxies by telephone, facsimile transmission or other personal contact, for which services such persons will receive no additional compensation. Brokerage houses and other nominees, fiduciaries and custodians who are holders of record of shares of common stock will be requested to forward proxy soliciting material to the beneficial owners of such shares and will be reimbursed by the Company for their charges and expenses in connection therewith at customary and reasonable rates. In addition, the Company has retained Morrow & Co. to assist in the solicitation of proxies for an estimated fee of \$7,500 plus reimbursement of expenses.

STOCKHOLDER PROPOSALS

This year we are presenting two proposals for a stockholder vote:

PROPOSAL ONE—Election of Directors

At the annual meeting, four directors are proposed for election for a three-year term expiring in 2005. Richard P. Toft, whose current term expires on June 13, 2002 will not run for re-election. The Board has nominated the following persons for election, all of whom except Patrick F. Stone are current directors:

William P. Foley, II
Frank P. Willey
John Joseph Burns, Jr.
Patrick F. Stone

Questions and Answers About Proposal One

Q: Who are the nominees?

A: Information regarding each of the nominees follows on page 7.

Q: How many directors are on Fidelity's Board?

A: Fidelity's Board of Directors currently consists of twelve members and is divided into three classes. Each year, the directors in one of the three classes are elected to serve a three-year term.

Q: How many votes do the directors need to be elected?

A: In accordance with our by-laws and applicable law, each director will be elected by a plurality of the votes cast at the meeting. In other words, the four nominees receiving the most votes will be elected as directors of the Company.

Q: What happens if I return my proxy without marking the ballot for directors?

A: Unless otherwise instructed, the proxy holders will vote the proxies received by them for Messrs. Foley, Willey, Burns and Stone.

Q: What happens if I vote for one of the nominees and he cannot serve as a director?

A: In the event that a nominee of the Board is unable or declines to serve as a director at the time of the meeting, proxies will be voted for any nominee who shall be designated by the present Board of Directors to fill the vacancy. It is not expected any nominee will be unable or will decline to serve as a director.

Q: How long will the nominees be directors if they are elected?

A: Each nominee elected as a director will continue in office for a three-year term, and will also continue in office until his or her successor has been elected or until his or her earlier death, resignation or retirement.

Q: How does the Board recommend I vote?

A: **The Board of Directors recommends a vote "FOR" the above nominees.**

PROPOSAL TWO—Amendment to Certificate of Incorporation

At the annual meeting, we are asking our stockholders to approve the following resolution amending our Certificate of Incorporation:

RESOLVED, that Article FOURTH, paragraph (a) of the Certificate of Incorporation be amended to read, in its entirety, as follows:

(a) *General.* The aggregate number of shares that the Corporation is authorized to issue is 153,000,000 shares, of which 3,000,000 shall be shares of preferred stock, \$.0001 par value per share (the “Preferred Stock”) and 150,000,000 shall be shares of common stock, \$.0001 par value per share (the “Common Stock”).

Questions and Answers About Proposal Two

Q: What is being changed by the requested amendment?

A: Under the proposed amendment, the number of shares of common stock that Fidelity is authorized to issue will be increased from 100,000,000 to 150,000,000 shares.

Q: Why is the Board of Directors proposing to increase the authorized number of shares of common stock?

A: At the close of business on April 23, 2002 there were 87,762,854 shares of common stock outstanding. The public offering of 8.855 million shares of common stock in January 2001, the 10% stock dividend effected on August 7, 2001, and the 10% stock dividend declared on April 24, 2002 reduced substantially the number of shares available for issuance. In addition, as of April 23, 2002, 9,420,701 shares of common stock were subject to awards outstanding under the 1987 Stock Option Plan, the 1991 Stock Option Plan, the 1993 Stock Option Plan, the 1998 Stock Incentive Plan, the 2001 Stock Incentive Plan, the FNF Capital Plan and under options assured in the Chicago Title acquisition (collectively, the “Stock Plans”). Therefore, we currently have available only 2,816,445 authorized but unissued and unreserved shares of common stock.

If this proposal is approved and effected, Fidelity will have available 50,000,000 additional authorized but unissued and unreserved shares of common stock. The additional shares of common stock will enhance Fidelity’s flexibility in connection with possible future actions including future public or private offerings, acquisitions of other businesses or properties, possible stock splits or stock dividends. We have no current plans for the issuance of any shares of common stock, except pursuant to the Stock Plans.

Fidelity has not proposed the increase in the authorized number of shares with the intention of using the additional shares for anti-takeover purposes, although Fidelity could theoretically use the additional shares to make it more difficult or to discourage an attempt to acquire control of Fidelity. As of this date, Fidelity is unaware of any pending or threatened efforts to acquire control of Fidelity.

Q: What would be the effect of the increase in authorized shares on Fidelity’s Stockholders?

A: None. The increase will merely make more shares available for issuance, and this will of itself have no effect on Fidelity’s stockholders. We have no current plans to issue share of common stock, other than pursuant to the Stock Plans.

Q: If the amendment is approved, how would the newly authorized shares be issuable?

A: If our stockholders approve the proposed amendment, the additional authorized but unissued and unreserved shares of common stock will be issuable, without any further authorization by the stockholders (unless required

by law or by the rules of the New York Stock Exchange), on such terms and for such consideration as may be determined by the Board of Directors. Fidelity's stockholders are not entitled to preemptive or other rights to subscribe for shares of common stock that may be issued in the future. If applicable law or regulation does not require stockholder approval as a condition to the issuance of shares in any particular transaction, it is expected that such approval will not be sought.

Q: How many votes are needed to approve the amendment?

A: The affirmative vote of a majority of the outstanding shares of common stock entitled to vote is required for approval of this proposal.

Q: How does the Board of Directors recommend I vote?

A: **The Board of Directors recommends that you vote FOR Proposal 2.**

Notwithstanding anything to the contrary set forth in the Company's previous filings under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended, that might incorporate future filings, including this Proxy Statement, in whole or in part, the following Report of the Compensation Committee, Report of the Audit Committee and the Performance Graph shall not be incorporated by reference into any such filings.

REPORT OF THE COMPENSATION COMMITTEE ON EXECUTIVE COMPENSATION

General

The Compensation Committee of the Board of Directors is responsible for establishing and administering the policies that govern executive compensation and benefit practices. The Compensation Committee evaluates the performance of the executive officers and determines their compensation levels, in terms of salary, annual bonus and related benefits, all subject to Board approval. The Compensation Committee has access to independent compensation data for use in assessing levels of compensation for officers of the Company.

Compensation Philosophy

The Company's executive compensation programs are designed to (i) provide levels of compensation that integrate pay and incentive plans with the Company's strategic goals, so as to align the interests of executive management with the long-term interests of the stockholders; (ii) motivate Company executives to achieve the strategic business goals of the Company and to recognize their individual contributions; and (iii) provide compensation opportunities which are competitive to those offered by other national title insurance companies and other middle-market corporations similar in size and performance. Although the exact identity of the corporations surveyed varies, these generally include title companies and other corporations equal to or larger than the Company. The Compensation Committee believes that the components of executive compensation should include base salary, annual cash bonus, stock option grants and other benefits and should be linked to individual and Company performance. With regard to the Company's performance, the measures used for determining appropriate levels of compensation for executive officers include the Company's national market share, net margin, quality of service, meeting strategic goals within the current economic climate and industry environment, scope of responsibilities, expansion by acquisition or otherwise, and profit retention and profitability, all of which combine to enhance stockholder value.

The Committee approves the employment agreements and salary and bonus levels for key employees, including Mr. Foley and Mr. Stone. The Compensation Committee then makes recommendations with respect to the compensation to the entire Board of Directors for its approval. In fiscal 2000, the Compensation Committee authorized the retention of a consulting firm to review and advise on benefits plans and other compensation initiatives for the Company's senior executives. As part of its review process, the Compensation Committee approved the Annual Incentive Plan, which governs the incentive compensation payable to Mr. Foley and certain other executive officers.

Compensation of the Chairman and Chief Executive Officer for Fiscal 2001

Mr. Foley's compensation for 2001 was determined pursuant to the terms of his employment agreement in effect during that period. His employment agreement provided him with a minimum base annual salary, which may be reviewed and increased at the discretion of the Compensation Committee to reflect matters including cost of living increases and performance results. Mr. Foley also received a cash bonus, which was determined pursuant to an executive bonus program established by the Compensation Committee. Under the program, Mr. Foley had varying performance-based bonus levels that were expressed as a percentage of his base salary, based upon the Company's return on equity and cost savings resulting from merger synergies achieved in connection with the Company's acquisition of Chicago Title Corporation. The Compensation Committee established threshold, target and maximum expectations for each performance measure. In 2001, the Company exceeded target expectations for return on equity and obtained maximum expectations for merger synergies. The applicable target bonus amount was established by the Compensation Committee to be 300% of his base salary. Under the terms of his employment agreement, the Company, through the Compensation Committee, has the discretion to award stock options to Mr. Foley. Mr. Foley received stock options in 2001 totaling 352,000 shares of Common Stock. Of these options, 352,000 shares vested upon date of grant.

Compensation of Other Executives for Fiscal 2001

With respect to the base salaries and incentive cash bonuses awarded to other executive officers in respect of 2001, the Compensation Committee approved these amounts pursuant to the executives' employment agreements and an executive bonus program established by the Compensation Committee. The decision of the Compensation Committee with respect to the base salary for each such executive officer is subjective and was made after consideration of the performance of the executive in his particular area of responsibility, the executive's contribution to the Company's overall management team and an assessment of the future contributions the executive should be able to make to the Company. Under the terms of the executive bonus program, the executive officers received a cash bonus based upon specified target levels and the Company's return on equity and cost savings resulting from merger synergies related to the acquisition by the Company of Chicago Title Corporation.

Stock Option Grants

As indicated above, an important element of the Company's compensation philosophy is the desire to align the interests of the executive officers with the long-term interests of the Company's stockholders. The purpose of the Company's Stock Incentive Plans is to attract, retain and award executive officers and directors and to furnish incentives to these persons to improve operations, increase profits and positively impact the Company's long-term performance. Consistent with these objectives, the Compensation Committee granted options in 2002 to executive officers for their performance in 2001.

As additional incentive compensation, certain executive officers are permitted to participate in a program pursuant to which the officer can defer a portion of his bonus and apply the deferred amount to reduce the exercise price of stock options granted to him. In subsequent years, the exercise price of the options is further reduced by a percentage amount determined by the Compensation Committee. In 2001 Mr. Foley, Mr. Stone, Mr. Willey, Mr. Stinson and Mr. Sadowski participated in this bonus deferral program.

Corporate Deduction for Compensation. Section 162(m) of the Internal Revenue Code generally limits to \$1.0 million the corporate deduction for compensation paid to certain executive officers, unless certain requirements are met. The Company's policy with respect to the deductibility limit of Section 162(m) generally is to preserve the federal income tax deductibility of compensation paid to executive officers. However, while the tax impact of any compensation arrangement is an important factor to be considered, the impact is evaluated in light of the Company's overall compensation philosophy. Accordingly, the Company has and will continue to authorize the payment of non-deductible compensation if it deems that it is consistent with its compensation philosophy and in the best interests of the Company and its stockholders.

Transactions with Management and Others

The Board of Directors adopted an Employee Stock Purchase Loan Program and a Director Stock Purchase Loan Program. The Employee Stock Purchase Loan Program authorized an aggregate amount of \$7,900,000 to make loans to key employees to purchase shares of the Company's Common Stock through open market purchases or in privately negotiated transactions. The Director Stock Purchase Loan Program authorized an

aggregate amount of \$750,000 to make loans to outside directors to purchase shares of the Company's Common Stock through open market purchases or in privately negotiated transactions. The loans are at an interest rate of 5% per annum for a term of five years immediately callable in the event of termination of employment or resignation as a director, as the case may be.

During year 2001, Mr. Foley and each of the following named executive officers participated in the Employee Stock Purchase Loan Program, and the highest aggregate indebtedness to the Company for each participant in 2001 was as follows: Mr. Foley—\$3,000,000; Mr. Stone—\$500,000; Mr. Willey—\$350,000, Mr. Stinson—\$200,000 and Mr. Sadowski—\$50,000. Mr. Sadowski's loan was repaid in full in 2001.

During year 2001, the following directors participated in the Director Stock Purchase Loan Program and the highest aggregate indebtedness to the Company for each participant was as follows: William A. Imparato—\$150,000; Donald M. Koll—\$150,000; Ronald Lane—\$150,000; General William Lyon—\$150,000; and J. Thomas Talbot—\$150,000.

Mr. Sadowski's current aggregate indebtedness under these loans is \$59,000 and \$0, respectively.

In 2001, Fidelity National Information Solutions, Inc. (FNIS) paid to certain of its employees bonus payments in the aggregate amount of \$227,991.50. These payments were an obligation of Fidelity arising from our earlier acquisition of a convertible promissory note issued by FNIS and 950,000 shares of common stock (collectively, the "Moore Interests") held by Moore North America, Inc. pursuant to an Agreement for Purchase and Sale of Securities dated February 15, 2001 between Fidelity and Moore North America. As part of this transaction, Fidelity assumed the obligation of Moore North America to make certain bonus payments to certain of its former employees, several of whom were employees of FNIS on February 15, 2001. The acquisition of the Moore Interests was a prelude to the business combination between Fidelity, its wholly-owned subsidiary, Chicago Title and Trust and FNIS consummated on August 1, 2001. Concurrently with this closing, FNIS paid the \$227,991 obligation described above on behalf of Fidelity, and Fidelity reimbursed FNIS for that amount plus a payment grossing up FNIS for the payroll taxes it paid in connection with those bonus payments. The foregoing arrangement, whereby FNIS paid an obligation of Fidelity and was reimbursed, was entered into for bookkeeping simplicity. There is no accompanying written agreement between Fidelity and FNIS with respect to this arrangement.
