"This was a great start to 2012 and our strongest first quarter performance in a number of years," said Chief Executive Officer George P. Scanlon. "Net earnings of \$74 million increased \$32 million, or 75%, versus the first quarter of 2011 on just a 5% increase in total revenue and title pre-tax earnings of \$130 million grew by \$23 million, or 22%, despite only a 6% increase in total title and escrow revenue. Our commercial title business continued to perform well, as revenue of \$79 million grew by 19% over the first quarter of 2011, with an increase in orders opened, orders closed and fee per file. Overall, our pre-tax title margin, excluding realized gains, was 10.7%, an increase of 270 basis points versus the first quarter of 2011. We continue to perform above our difficult market pre-tax title margin goal of 8%-10% and remain confident that we will produce a mid-to-high teen pre-tax title margin when we see further stabilization in the residential resale market."

"We closed the O'Charley's tender in early April," said Chairman William P. Foley, II. "We currently own 95% of the outstanding shares of O'Charley's and expect to have 100% ownership at the conclusion of a short-form merger under Tennessee law in May. We then intend to merge O'Charley's into our existing restaurant operation, American Blue Ribbon Holdings, and FNF will own a majority stake in this larger ABRH. After the merger, FNF will have a total cash investment of approximately \$120 million for 55% ownership in the ABRH restaurant company that will have approximately \$1.25 billion in annual revenue, \$65 million in current annual EBITDA and an expected additional \$20 million in cost synergies. Our focus will be on integrating O'Charley's into ABRH and moving the O'Charley's margins closer to those of ABRH. We believe ABRH can create significant value for our shareholders in the future.

"Also, we expect to close on the sale of the 85% interest in our personal lines business on May 1. Regulatory approval is pending, which we hope to have in time for the May 1 closing. FNF will receive \$119 million in proceeds from the personal lines sale. Combined with the recent flood business sale, FNF generated \$254 million in cash and a \$75 million, 8% seller note due in May 2013, as well as an \$86 million after-tax gain from the two divestitures."
