Fidelity National Financial, Inc. Announces Ownership of Remy International Increases above 50%

Jacksonville, Fla. -- (August 14, 2012) -- Fidelity National Financial, Inc. (NYSE:FNF), a leading provider of title insurance, mortgage services and restaurant and diversified services, today announced that it has purchased 1,183,091 additional shares of Remy International, Inc. ("Remy") common stock, thereby increasing its ownership position to 50.2%. As a result, FNF will begin consolidating the financial results of Remy and will include those results in the third quarter of 2012. FNF will also report Remy as a distinct reporting segment in its reported financial results.

"We continuously pursue avenues to unlock the value of Remy for FNF shareholders," said Chief Executive Officer George P. Scanlon. "Given the current market valuation, we believe our shareholders are best served by FNF increasing our stake and taking a majority ownership position to best control the future of our investment. We are confident the increased transparency of a consolidated Remy will be beneficial in ultimately realizing the maximum value of this investment for our shareholders."

About FNF

Forward Looking Statements

This press release contains forward-looking statements that involve a number of risks and uncertainties. Statements that are not historical facts, including statements regarding our expectations, hopes, intentions or strategies regarding the future are forward-looking statements. Forward-looking statements are based on management's beliefs, as well as assumptions made by, and information currently available to, management. Because such statements are based on expectations as to future financial and operating results and are not statements of fact, actual results may differ materially from those projected. We undertake no obligation to update any forward-looking statements, whether as a result of new information, future events or otherwise. The risks and uncertainties which forward-looking statements are subject to include, but are not limited to: changes in general economic, business and political conditions, including changes in the financial markets; weakness or adverse changes in the level of real estate activity, which may be caused by, among other things, high or increasing interest rates, a limited supply of mortgage funding or a weak U. S. economy; our potential inability to find suitable acquisition candidates, acquisitions in lines of business that will not necessarily be limited to our traditional areas of focus, or difficulties in integrating acquisitions; our dependence on distributions from our title insurance underwriters as a main source of cash flow; significant competition that our operating subsidiaries face; compliance with extensive government regulation of our operating subsidiaries; and other risks detailed in the "Statement Regarding Forward-Looking Information," "Risk Factors" and other sections of the Company's Form 10-K and other filings with the Securities and Exchange Commission.
